

Group 1

Having conversation with private Sector to secure funding (Chamber of Commerce)

Raising funds in the private sector

Review OCPEH charter for funding parameters

Use independent organizations to source private funding

Include: Data both Qualitative and Quantitative

Get away from stifling processes (Ex: Bureaucracy)

Host a panel of people with lived experience (Awareness of barriers to progress)

Group 2

Get to root causes of disparities in the housing system and help to bring them to light (Awareness)

Deeper dive into GAPS Analysis – Understand how different races access resources (Ex: White people utilize shelters while Black people use helplines more often)

Ensuring full capacity at shelters

Helping to increase supplies – private funding opportunity

Explore the potential of private funding (Review Charter to see if this is possible - if not for us then maybe for partnering organizations)

Group 3

Expanded Cold/Cot Weather programming (Planned in a way that is well-prepared like clockwork every year)

“Collaborating Well” with other organizations who committed to the same work as we are

Group 4

Unblock the “log jam” - Unlocking Funding
Assembly of Governments Meeting is an opportunity

Group 5

Utilize the Racial Equity Lens (County & OCPEH)
Streamline forms needed to get people help they need

Understand “why” there are hoops that people have to jump through when accessing the systems for assistance – dismantle logistic barriers

InfoGraphic of Federal, State, County, & Town

Sharing Information of how to get voter ID
