 - Partnership with ICA for helpdesk staffing going well

The group reviewed program performance matrix data from [January 2020 – December 2020](#). The Project Review Committee will review this info at their June 11 meeting, let Corey know if you update your data by the end of May and she will re-pull this data in advance of the Project Review Committee review.

OCPEH submitted [revised FY19 and FY20 System Performance](#) measures to HUD on March 1 – the group went through revised FY2019 data and FY2020 data noting potential factors influencing increases and decreases.

Next meeting: Monday, June 7
